## ST. MARY'S HIGH SCHOOL

Garvebavipalya, Bangalore-68

**PROSPECTUS 2023-24**

## OVERVIEW

St. Mary's High School was established in the year 1991 at Garvebavipalya, Bangalore and was recognised by the Govt. Of Karnataka in 1995. St. Marys offers a complete educational programme, starting from Day Care to X Standard.

### ➤ **Our Motto**

“**Knowledge is Power**” is the motto of the school. It provides power to transform the students into enlightened individuals who have the heart to give back knowledge to the society.

### ➤ **The Vision and Mission**

Each child is unique and the school helps the child to find out the uniqueness through different curricular and co-curricular activities to become successful in life.

St. Marys' mission is to remove the darkness from the society imparting knowledge to the students so that they may become powerful light of the world.

## THE MANAGEMENT

Our fundamental aim is to transform our students into enlightened individuals through imparting knowledge so that they may become powerful light of the world removing the darkness from thousands of minds. We appreciate the support we have always received in the past and we look forward your continued support in the future.

**Mr. MATHEW THENAKARA**

**Founder and Principal**

We at St. Marys strongly follow our Motto “Knowledge is Power”. It is the propelling force behind each one of our initiatives. For the success of any individual, character building is fundamental and all-round growth in their abilities is essential. It is therefore extremely important to strike a balance between academics, sports and co-curricular activities. I feel that the only constant in this world is change and the more versatile you are, the better suited you will be to adapt to the changing environment.

**Ms. NIMMIE M**

**Vice Principal**

## LINKS WITH HOME

As a school we feel it is vitally important to maintain our close links and co-operation between home and school. We form close links with parents and have an open-door policy, which allows parents to talk to staff whenever the need arises.

### ➤ REPORTING TO PARENTS

Teachers, parents and children meet after every exam to discuss about the progress of the children.

### ➤ HOMEWORK

At St. Mary's, we believe that homework is an essential part of the children's learning. Although we fully recognise the need for rest and importance of developing outside interests, we also acknowledge that homework can play an active part in developing the knowledge and skills of our children.

### ➤ KEEPING PARENTS INFORMED

Parents are kept informed of news and school events through our School Diary and also in respective class WhatsApp groups. Parents will also receive updates regarding extra-curricular, Parent Teacher Meeting via the same system.

We appreciate that parents often lead very busy lives and may not have the time to visit for any queries. In such cases, you are free to mail to us. The address is [stmaryshighschoolblr@gmail.com](mailto:stmaryshighschoolblr@gmail.com)

## CURRICULUM

### ➤ **PRE-PRIMARY:**

The pre-primary consists of Day Care, PRE-KG, LKG and UKG and caters to the needs and demands of early childhood. Bearing in mind that the foundation of a child's personality is laid and two third of his intellect formed at this age, we have created an environment and a system of teaching which is entirely child friendly. Formal learning of the three R's is introduced in Day care and KG classes. It finds more prominent place in the UKG curriculum which includes recognition, reading and writing of English alphabets and small words and also basic arithmetical concepts.

### ➤ **PRIMARY:**

The syllabus becomes broader based at this level and gradually the young learner is exposed to a wide range of subjects and study materials which is suitably graded. Apart from Mathematics, English, Kannada and Hindi, Core Subjects like General Science and Social Science are introduced in Class 1. As early as Class 3 students learn to work on computers in the multimedia lab which has been specially equipped to meet the needs of the young learners.

### ➤ **HIGH SCHOOL (VIII to X):**

Students of Class VIII to X study English, Kannada, Hindi, Mathematics, Science (covering Physics, Chemistry and Biology) and Social Science (covering History, Civics, Geography and Economics). Co-curricular activities include Physical and Health Education, Work experience and Art Education.
